• Renewal of approval in subsequent product-types			
○ full evaluation	48 000	99	69 000
○ limited supplementary assessment	12 000	99	46 000
• Evaluation of active substance in conjunction with approval into Annex I of the BPR	31 300	99	69 000
• Evaluation of change (other than addition of product type) in approval of active substance	10 000	99	69 000
• Evaluation of active substance precursor and/or evaluation of the combination of active substance, precursor and method	10 000	99	169 000
2. Authorisation of a biocidal product			
• Authorisation of product as a reference Member State*	31 300	99	96 000

• Authorisation of product as a reference Member State when product and its proposed uses have been assessed in conjunction with the evaluation of active substance*	10 000	99	19 200
• Product re-assessment as a reference Member State*			
○ full evaluation	23 500	99	72 000
○ limited supplementary assessment	7 800	99	72 000
• Product evaluation carried out with Union authorisation as the evaluating competent authority*	28 200	99	76 000
• Provisional authorisation (Article 55(2)) of product *	31 300	99	96 000
• Provisional authorisation of product when product and its proposed uses have been assessed in conjunction with the evaluation of active substance*	10 000	99	19 200
• Mutual recognition of a product and a product family	6 300	99	24 000
• Renewal of mutual recognition of a product and a product family	3 200	99	12 000
• Product authorisation with simplified authorisation procedure (Article 26) when the product and its proposed uses have not been assessed in conjunction with the evaluation of active substance*	5 000	99	9 600
• Product authorisation with simplified authorisation procedure (Article 26) when the product and its proposed uses have been assessed in conjunction with the evaluation of active substance*	1 600	99	3 000
• Renewal of product authorisation with simplified authorisation procedure*			
○ full evaluation	2 500	99	4 800
○ limited supplementary assessment	500	99	2 400
• Authorisation of same product (Commission Regulation (EU) No 414/2013)*	1 600	99	3 000
• Renewal of same product*	1 600	99	7 800
3. Additional measures (additional fees related to section 2 of the fees table)			
• Assessment of substance of concern in the product	25 000	99	48 000
• Comparative product assessment as a reference Member State	6 300	99	48 000

<ul style="list-style-type: none"> Comparative product assessment as a reference Member State in connection with mutual recognition 	1 600	99	9 600
<ul style="list-style-type: none"> Assessment of maximum residue caused by the product 	5 000	99	9 600
<ul style="list-style-type: none"> Authorisation of product as a reference Member State (i.e. product containing several active substances or evaluating several product types) 	1 600	99	24 000
4. Notifications			
<ul style="list-style-type: none"> Notification of making available on the market of biocidal products authorised in accordance with the simplified authorisation procedure (Article 27(1))* 	1 000	99	4 500
<ul style="list-style-type: none"> Notification of placing on the market of each product within the biocidal product family (Article 17(6)) 	1 600	99	3 000
<ul style="list-style-type: none"> Notification of an experiment or a test (Article 56(2)) 	730	99	3 000
5. Temporal permit of a biocidal product (Article 55(1))	3 000	99	5 800
6. Parallel trade permit (Article 53)	1 700		
7. Change of authorised biocidal products in accordance with definitions of Regulation (EU) No 354/2013 (applies to paragraph 2)			
<ul style="list-style-type: none"> major change 	45 % of basic fee	99	basic fee
<ul style="list-style-type: none"> minor change 	10 % of basic fee	99	50 % of basic fee
<ul style="list-style-type: none"> administrative change 	350	99	3 000
If the application concerns the authorisation of a biocidal product family, fees marked an asterisk (*) will be double charged (all other and hourly fees charged as usual).			
Basic fee is charged on the submission on the application. Handling of an application is not started before the fee is received. Basic fee is not refundable.			
Basic fee is the minimum amount charged on each application and it is the same for negative and positive decisions.			
Applications withdrawn: working time used is charged (99 €/h).			

Fees on Antifouling Products, Biocidal Pesticides and Slimicides, applied under transitional measures

Ministry of Employment and the Economy Decree 1391/2018			
Service	Basic fee (€)	Hourly fee (€/h)	Maximum fee (€)
